12"	8"	For dogs 14 inches and under at the withers

AKC Jump Height Cards - Effective 1/1/10

All dogs competing in agility must **possess** an official AKC Jump Height Card. An official AKC Jump Height Card is defined as either a permanent jump height card, a valid temporary jump height form, copies of two different measuring forms (placing the dog in the same height class) dated on or after the dog's second birthday, or copies of three different measuring forms (two of which place the dog in the same height class) on or after the dog's second birthday. All dogs (except those jumping 24" or 26") without jump height cards/forms must be measured/wicketed by the Judge of Record PRIOR to running in their class; this measurement will be valid for the weekend of trials only. If a Volunteer Measuring Official or an Agility Field Rep is present, all dogs without a valid jump height card/form must be measured at some time during the trial. If the dog cannot be measured by the VMO prior to running, it must be measured by the judge before its first run.

- **You are not required to show your height card or send a copy with your entry.**
- **You are required to mark on your entry form if your dog needs to be measured.**

Temporary Covid Measurement Changes

Measuring of Dogs: As of March 1, 2021 if a VMO or Agility Field Representative is measuring dogs at a trial, all present and entered dogs without a valid measurement must be measured. Until further notice, Judges of Record who are not VMOs do not measure dogs.

DOGS ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

The walk-through is restricted to handlers entered in that class only. Handlers with conflicts and/or multiple dogs, at events with multiple rings, may walk with a height group other than the one their dog is entered in if a conflict is imminent, and are encouraged to do so.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training.

- No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Event Committee.
- **Bitches in season** are not permitted to compete in Agility Trials. Entry fees less \$10 administrative fee and applicable AKC recording fees per day will be refunded for bitches coming in season after the closing date. Owner must present certificate from veterinarian prior to start of show.

RINGSIDE

- **Dogs may arrive** any time prior to judging whether they have a height card or not. As of March 1, 2021 if a VMO or Agility Field Representative is measuring dogs at a trial, all present and entered dogs without a valid measurement must be measured. Until further notice, Judges of Record who are not VMOs will not measure dogs.
- **Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

CLASS CHANGES EFFECTIVE JANUARY 1, 2020

**Entering a Mixture of Regular and Preferred Classes within the Same Trial Weekend
Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020 exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entering in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular or both Preferred on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the first run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Fix and Go On (FNG)

Fix and Go On will be supported at this trial.

Fix and Go On is being offered on a one-year pilot basis in order to give the AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather it occurs during the course of the run.

For Exhibition Only (FEO)

FEO will be supported at this trial.

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.
