AGILITY GATE APP:

We will be using Agility Gate for this trial which is an electronic app that allows you to see the gate sheets on your phone or tablet. Through this app you can also check your dog in and mark your dog absent. Please download Agility Gate (free app) on your phone or tablet ahead of the trial. You will click on the left of the screen and select NWAAG trial and then use 5123 for the code. From there select your classes and then swipe left on your dog to check in, mark absent, etc. We ask that you please check your dog in each day through this app. We will still have the sheets at the gate; but this will allow less crowding at the gate and allow you to know who is running without having to crowd the gate. You can watch this app from your crating spot to see which dog is on the line and what class we are currently running. A red line means they are marked absent and a black line means they have ran/are on the line. If you have questions or need assistance please see the Trial Secretary or the Trial committee.

HEIGHT CARDS:

EFFECTIVE January 1, 2010 When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during the day of show check in. The judge will measure dogs before runs as time allows.

FOOD TRUCKS:

A food truck is scheduled to be on site Saturday and Sunday. The food vendors operate independently of the trial and are subject to change.

EXTRAS:

- Dog massage with Jane Walta
- Veterinary Chiropractor: Mike Stanford DVM
- Photography: Adrienne Murphy with Wildflower Photography, Saturday only. Use link to book a session.
