VOLUNTEER SIGN UP: The volunteer signup sheet may be found by clicking [here](#), or by going to DoRightSecretary.com and clicking on Volunteer Signup heading at the trial site.

VMO: Our judge is not a VMO. If your dog needs to be measured prior to running, please arrive at the trial with enough time before your class to allow for the judge to measure your dog.

COVID: We will comply with all local restrictions and AKC Suggested Best Practices. Any specific Covid restrictions which will be followed at the trial will be posted on the secretary web site DoRightSecretary.com.

If you are not feeling well please stay home. Social distancing at the trial is **strongly** encouraged. While masks are not required, we **strongly** urge that exhibitors wear a mask while inside the building. The mask situation may change if county COVID restrictions change between now and the trial date. Any current COVID guidelines for the trial will be posted on the trial site at DoRightSecretary.com under the Covid Instructions heading.

FINAL RUN ORDER: The final run order will be constructed after move ups close on Monday January 22, 2024 at 6:00 pm. The final run order will be posted on DoRightSecretary.com under the Running Order heading.

MAPS: Printed maps will not be provided at the trial. The maps will be posted on Agility Gate each day and on DoRightSecretary.com. Printed copies will be posted in the main building at All Star Dog Sports and in the crating Annex.

In addition to using the Agility Gate app, the run order will be displayed each day at the trial on a monitor to make the running order available to all exhibitors. If you are unable to check in via the Agility Gate app, any exhibitor with the app can check you in, or you can request that the Gate Steward check you in.

▶ ANNEX CRATING:

Please be aware we are instituting new crating rules in place for the Annex in an attempt to alleviate some of the problems with space and **due to the addition of new flooring**.

- No one will be allowed to set up in the Annex the day or evening prior to the trial except the Cleaning Angels that are cleaning the building on Sunday, if they are running a dog in the trial.
- Exhibitors will not be allowed to save space for other exhibitors.
- The Trial Committee will have space reserved and should have access to the Annex first.
- **Mats must be used to protect the new flooring in the annex. It must be under your crate and chair. Please do not take up any additional space with your mat. There is a \$10 fine for spills and accidents on the surface. If you spill something or have an accident, please put your \$10 in the red money box in the main entryway to the right of the office.**
- Unentered dogs must be in crates that are stacked! We understand people have reasons they need to bring unentered dogs, but either stack the crates or crate the dogs together.
- Chairs must be placed in front of crates. Please bring reasonably-sized chairs.

Cooperation from exhibitors is appreciated in this matter.

Thank you for your understanding.

- If you are coming from the north (I-70), it is 4.8 miles south of the intersection of I-70 and Hwy 7 and immediately past Anderson Rentals.
- If you are coming from the south, it is 1.4 miles north of the intersection of Hwy 7 and Colbern Rd. or 5.3 miles north of the intersection of Hwy 7 and Hwy 50 and north of the Storage Mart storage facility. Hwy 7 is divided by a median so it will be necessary to drive north of the site and make a U-turn at Wyatt Road.
