AKC Jump Height Cards - Effective 1/1/10

An official AKC Jump Height Card is defined as either a permanent jump height card, a valid temporary jump height form, copies of two different measuring forms (placing the dog in the same height class) dated on or after the dog's second birthday, or copies of three different measuring forms (two of which place the dog in the same height class) on or after the dog's second birthday. All dogs (except those jumping 24" or 26") without jump height cards/forms must be measured/wicketed by the Judge of Record PRIOR to running in their class; this measurement will be valid for the weekend of trials only. If a Volunteer Measuring Official or an Agility Field Rep is present, all dogs without a valid jump height card/form must be measured at some time during the trial. If the dog cannot be measured by the VMO prior to running, it must be measured by the judge before its first run.

- **You are not required to show your height card or send a copy with your entry.**
- **You are required to mark on your entry form if your dog needs to be measured.**

DOGS ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

- **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the event committee, be asked to leave the show site. In such case, no refund of any fees paid will be made.
- **It is also understood** that exhibitors are to follow the AKC Code of Sportsmanship which specifies a commitment to the values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace. Any exhibitor who is deemed to not be following the Code of Sportsmanship may be subject to disciplinary action by the event committee. This may result in having to leave the show site with no refund of any fees paid. Egregious or repetitive violations of the Code of Sportsmanship may result in a permanent ban from club events.
- Agility Ability of Greater Kansas City and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.
- Agility Ability of Greater Kansas City reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against Agility Ability of Greater Kansas City or any official thereof.
- **All dogs must be on leash or crated** at all times when on trial grounds except when in the designated warm-up area or competing on the course. **Please limit the use of flexi-leads to exercising dogs outdoors.**
- Agility Ability of Greater Kansas City may cancel this event in extreme weather conditions.
- Anyone in violation of a restriction pursuant to AKC rules or policies, or the law can be asked to leave the grounds. If the person fails to leave, the local authorities will be contacted. In addition, if the club believes laws, restrictions, or conditions of release are being violated by an individual's attendance or participation in AKC events, the local authorities will be contacted immediately as they have the authority of enforcement.

REFUNDS

- **No entry fee** will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.
- No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Event Committee.
- **Bitches in season** are not permitted to compete in Agility Trials. Entry fees less \$10 administrative fee and applicable AKC recording fees per day will be refunded for bitches coming in season after the closing date. Owner must present certificate from veterinarian prior to start of show.

RINGSIDE

- **Dogs may arrive** any time prior to judging whether they have a height card or not. As of March 1, 2022 if a VMO or Agility Field Representative is measuring dogs at a trial, all present and entered dogs without a valid measurement must be measured. Until further notice, Judges of Record who are not VMOs will not measure dogs.
- **Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website by clicking [here](#).

CLASS CHANGES EFFECTIVE JANUARY 1, 2020

Entering a Mixture of Regular and Preferred Classes within the Same Trial Weekend Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020 exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entering in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular or both Preferred on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the first run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Fix and Go On (FNG)

Fix and Go On will be supported at this trial.

Fix and Go On is being offered on a one-year pilot basis in order to give the AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather it occurs during the course of the run.

For Exhibition Only (FEO)

FEO will be supported at this trial.

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat, FAST classes, and for ISC runs in an ISC only trial. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

COMMON ISC QUESTIONS

- Who can enter ISC?
 - Anyone who wants to try it. There are no restrictions on what levels you can enter in ISC and how many classes you enter on a single day. If you want to enter all ISC runs on Friday you may.
- Does my dog have to jump at their ISC jump height?
 - No. You can enter your dog in regular or preferred at the height they normally jump in AKC. However runs at AKC jump heights will not count toward EOTT qualifications.
- How do ISC courses compare with other AKC courses?
 - ISC courses generally have more space between obstacles than other AKC courses. Most ISC courses designed by FCI judges have a really nice flow for the dogs but can be challenging for the handlers. In general, ISC level 1 courses have about the same level of difficulty as AKC Open courses. ISC level 2 courses have about the same difficulty as AKC Ex/Master courses but may include some Premier elements. In general, ISC level 3 courses are more difficult than courses offered in regular AKC trials.
- How is ISC judged?
 - ISC is judged using FCI rules. A summary of the scoring system is included in Chapter 14 of the "AKC Regulations for Agility Trials, Non-Regular Agility Classes International Sweepstakes Class".
- How are the runs scored?
 - Faults, then time.
- What are Faults in ISC?
 - Course Time Penalties are one (1) fault for each full second over Standard Course Time
 - Standard (S) faults incur a five (5) point penalty and include
 - A displaced bar, plank, or displaceable surface that the dog was to jump over
 - Missed contact zones (including the upside zone of the A-Frame).
 - Seesaw fly-off
 - Early table departure
 - Skipped weave pole after entered correctly
 - Moving or stepping on top of the Broad Jump
 - Breaking apart the Tire Jump
 - Refusal (R) faults incur a five (5) point penalty and include:
 - Refusal at any obstacle
 - Run out at any obstacle
 - Dog exiting a contact obstacle prior to starting its descent on that obstacle.
 - Failure to enter the Weave Poles properly
 - Elimination Faults
 - Three (3) refusals and/or run-outs on a course
 - Dog running the wrong course, including touching the wrong obstacle with one (1) paw.
 - Dog/handler contact that aids the performance of the dog
 - Handler contact with the equipment if it aids or was intended to aid the performance of the dog
 - Outside assistance to the handler/dog in the ring that aided the performance
 - Failure to complete all the obstacles on the course.

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.

SIGNATURE of owner or his agent duly authorized to make this entry.
