AKC Jump Height Cards

All dogs competing in agility must possess an official AKC Jump Height Card. **An official AKC Jump Height Card is defined as** either a permanent jump height card, a valid temporary jump height form (yellow sheet), copies of two different measuring forms (placing the dog in the same height class) dated on or after the dog's second birthday, or copies of three different measuring forms (two of which place the dog in the same height class) on or after the dog's second birthday. Dogs between 15 months and 2 years of age require only one measurement. The yellow sheet given to an exhibitor whose dog is under 2 years of age will act as the dogs temporary jump height card. No official height card is issued to dogs under 2 years of age. If no VMO or Agility Field Rep is present, all dogs without either a valid Jump Height Card **MUST** be measured/wicketed by the Judge of Record PRIOR to running in their class. This measurement will be valid **ONLY** for the weekend of trials. If a Volunteer Measuring Official or an Agility Field Rep is present, all dogs without a valid Jump Height Card **MUST** be measured

at some time during the trial regardless of jump height entered. If the dog cannot be measured by the VMO or Agility Field Rep prior to running, it must be measured by the judge before its first run. Please see AKC Regulations for Agility Trials and Agility Course Test, Chapter 2, Section 5 Jump Height Card.

- **You are not required to show your height card or send a copy with your entry.**
- **You are required to mark on your entry form if your dog needs to be measured.**

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

- **Exhibitors are responsible** for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

- **The safety of the dogs** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- **It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children.** Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the event committee, be asked to leave the show site. In such case, no refund of any fees paid will be made.

- **No refund will be issued** for overpayment of \$10.00 or less.

RINGSIDE

- **Dogs may arrive any time prior to judging.** Dogs without a Permanent or Temporary Height Card must be available for measuring prior to the start of their class. See [here](#) for further information concerning Height Cards.
- **Judges are not required to wait for dogs.** The Exhibitor of each dog is solely responsible for being ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

VENDORS

- There isn't space available for vendor tables but feel free to bring items to sell out of your vehicle or promotional information on your products.
- Please contact Kim Krohn at 816 830-0573 or krohndog@swbell.net with questions.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the [American Kennel Club website](#) or may access them directly [here](#).

Entering For Exhibition Only (FEO)

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered at any level (Novice, Open, Excellent or Masters) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring to the scribe and the judge prior to leading out.
- Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations.

Fix and Go On

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

New AKC Social Media Policy Effective July 1, 2022

The AKC will address all social media complaints, regardless of where the post is made or the content of the post, via the Code of Sportsmanship and Code of Sportsmanship Enforcement Policies (both are available [here](#)). Event Committees are not to entertain complaints regarding the content of a social media post. Exhibitors should contact the Compliance Department (compliancediv@akc.org or 919 816-3546) for questions about how to file such a complaint.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine PartnersSM** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
