## ▶ ANNEX CRATING:

Please be aware we are instituting these crating rules in place for the Annex in an attempt to alleviate some of the problems with space and **due to the addition of new flooring.**

- No one will be allowed to set up in the Annex the day or evening prior to the trial except the Cleaning Angels that are cleaning the building on Sunday, if they are running a dog in the trial.
- Exhibitors will not be allowed to save space for other exhibitors.
- The Trial Committee will have space reserved and will have access to the Annex first.
- **The blue flooring in the annex must be protected. If you set up on top of blue flooring in the annex you must use a protective mat under your crate and chair. Please do not take up any additional space with your mat. There is a \$10 fine for spills and accidents on the blue matting. If you spill something or have an accident, please put your \$10 in the red money box in the main entryway to the right of the office.**
- Unentered dogs must be in crates that are stacked. We understand people have reasons they need to bring unentered dogs, but the crates of unentered dogs must be stacked or crate the unentered dog must be crated with an entered dog.
- Chairs must be placed in front of crates. Please bring reasonably sized chairs.

Cooperation from exhibitors is appreciated in this matter.

Thank you for your understanding.
